Greetings to the Brothers of Phi Beta Sigma Fraternity, Inc.,

On behalf of the General Board and International Headquarters of Phi Beta Sigma Fraternity, Incorporated, I congratulate you as you gather to convene the Southern Regional Conference in Miami, Florida.

In this 112th year of Sigma's existence, reflecting on the sustainable service and commitment you provide to hundreds of campuses and communities, is essential. As servant leaders, your chapters continue to be an inspiration, consistent with this administration's mandate to *Achieve the Vision of Our Founders*. I congratulate Regional Director Brother Kenneth "Sarge" Straughter, host chapters and all of the brothers who are a part of the regional planning team.

As you convene, be reminded of the sacred charge we were all given to "Herald and Defend, even against the world." I charge you to continue cultivating and advocating on your campuses and within your communities, helping to provide sustainable change and equitable opportunities.

Honorable David A. Turner

GREETINGS FROM THE REGIONAL DIRECTOR

Greetings Brothers of the Premier Southern Region,

It is with great pride, excitement, and humility that I welcome you to our annual Southern Regional Conference in sunny Miami, Florida.

Each year, this gathering reminds us that Phi Beta Sigma Fraternity, Inc., is not just an organization we belong to; it is a brotherhood we actively build, strengthen, and protect together. As we come together for fellowship, business, leadership development, and a little well-deserved fun, we also recommit ourselves to the ideals that make Sigma truly special.

This year’s theme, “Sigma Over Self,” challenges each of us to remember that our greatest impact comes when we place the needs of our brotherhood, our communities, and our shared mission above personal recognition. It calls on us to serve selflessly, lead with integrity, and uplift one another as we continue the noble work of our founders.

However, being a Sigma man also means understanding the importance of balance. Our commitment to the fraternity should strengthen, not replace, the love we give to our families, the attention we give to our health, and the devotion we maintain in our spiritual lives. Strong Sigma Men build strong homes, strong communities, and a stronger fraternity.

So while we handle the business of Sigma, let’s also take time to connect with brothers, build new relationships, share ideas, and enjoy the energy of “The Magic City”. Leave this conference inspired, renewed, and ready to continue advancing Phi Beta Sigma throughout the Premier Southern Region and beyond.

Brothers, thank you for your dedication, your leadership, and your continued commitment to “Sigma Over Self”.

Welcome to Miami, and welcome to another powerful gathering of the Sigmas of the Premier Southern Region.

Bro. Ken “Sarge” Straughter
Southern Regional Director

GREETINGS FROM THE REGIONAL CONFERENCE COORDINATOR

On behalf of the Regional Conference Planning Committee, I welcome you to the 2026 Southern Regional Conference in Miami, Florida. Your presence reflects a clear decision to invest in your growth and in the advancement of Phi Beta Sigma Fraternity, Inc. Strong organizations move forward when members show up prepared to engage and contribute.

This year’s theme, “S.O.S. – Sigma Over Self,” sets the tone for the weekend. It calls for discipline, accountability, and a focus on service. The expectation is simple. Put the mission first. Prioritize the work that strengthens the fraternity. Commit to actions that create impact beyond individual recognition.

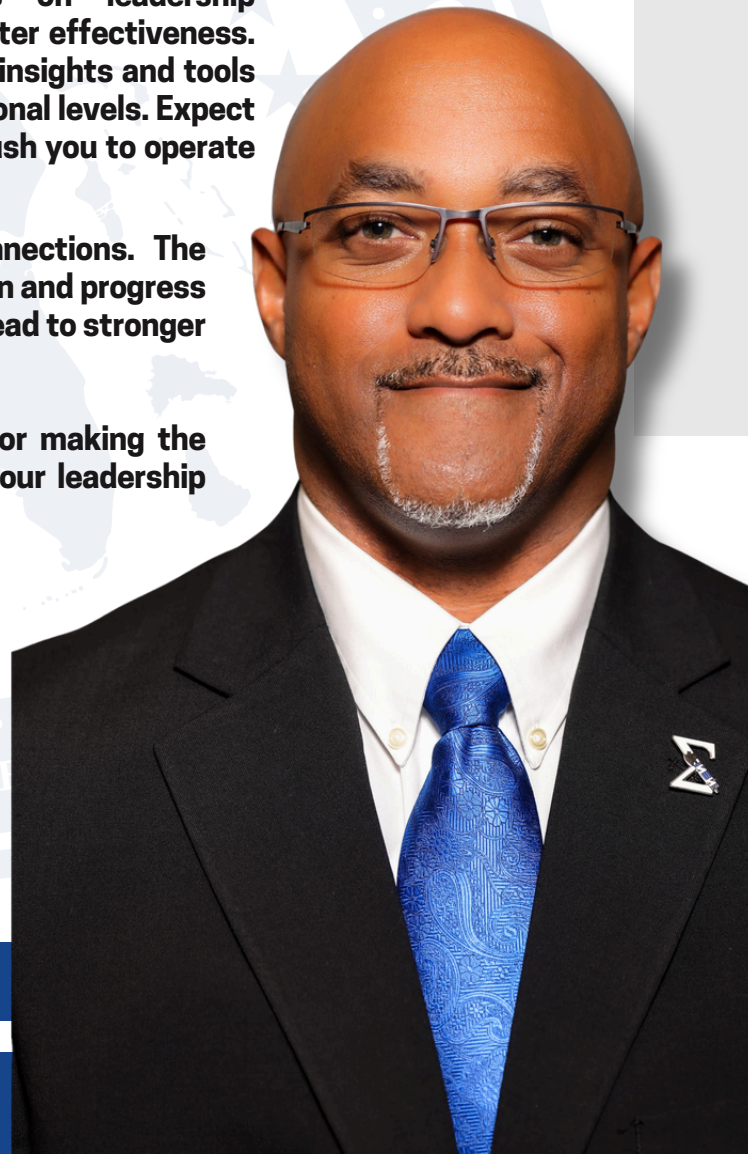

The conference program is structured to deliver practical value. Each session, workshop, and discussion focuses on leadership development, operational improvement, and chapter effectiveness. The goal is for every attendee to leave with clear insights and tools that strengthen execution at the chapter and regional levels. Expect conversations that challenge your thinking and push you to operate at a higher standard.

This weekend also creates space to build connections. The relationships formed here will support collaboration and progress long after the conference ends. Strong networks lead to stronger chapters and better outcomes across the region.

Thank you for your commitment to Sigma and for making the time to be present. Your engagement matters. Your leadership drives progress.
